Reach Out Lakota

Community Pantry Serving West Chester & Liberty Townships

Reach Out Lakota is a lifeline for many families in the Lakota Local School District—West Chester & Liberty Townships—who are facing difficult and often unexpected circumstances. For individuals and parents struggling to put food on the table or provide warm clothing and basic necessities for their children, Reach Out Lakota offers hope, dignity, and relief during times of need.

Through the distribution of healthy food, essential clothing, personal hygiene items, and critical household supplies, families receive immediate support at no cost—while also gaining access to long-term solutions through referrals and resources that address the root causes of hunger and instability. Every meal served, every coat provided, and every family helped is made possible by the generosity of donors, sponsors, and dedicated community volunteers.

Sponsorship support is vital. Contributions directly fund the resources that allow Reach Out Lakota to meet growing community needs, ensuring no family has to choose between food, clothing, or basic care. By sponsoring this mission, businesses are not only giving back—they are making a measurable, lasting impact on local families when it matters most.
