

Union Centre Boulevard Merchant Association

The UCBMA is a group of enthusiastic local merchants with a mission to promote the Union Centre Boulevard Central Business District as the business and retail center of West Chester. We do this by promoting and supporting existing businesses and encouraging new commerce within the Union Centre Boulevard corridor.

At UCBMA, we take our commitment to the community seriously. That's why we are proud to support a variety of local causes that make a difference in people's lives. From Big Brothers Big Sisters to Reach Out Lakota, Companions on a Journey, Children's Hospital, Sojourners, Edge Teen Center, West Chester Historical Society and many others, we believe in giving back to those who need it most. Whether it's through financial contributions or volunteering our time, we are dedicated to making a positive impact in our community. Thank you for joining us in this important mission.

What's New!

UCBMA has always been committed to supporting local charities, and our monthly meetings have been a key part of that effort. But now, we're excited to announce that we're expanding the format of our meetings to include a formal business networking component. Our goal is to provide a positive and productive environment for local businesses to connect, collaborate, and grow, while also continuing to support the local community. We believe that this new format will not only benefit our members, but also help us attract new businesses and further our mission of making a positive impact in our community. We look forward to seeing you at our next meeting!
